Ceremony Information (Entertainment)

Ceremony Time Frame

05:30 pm - 06:00 pm CST

Ceremony Setup

Setup: There are set up sites in the outdoor space. The reception will then be in the loft.

Sound System Needs

The officiant (Jim Thomason) will require a handheld microphone with stand. Jim Thomason is expected to arrive around 04:00 pm. **Important:** Remember to find out what the officiant's last words will be before the recessional music begins! Other readers will need a microphone with stand. You will be providing live music so have a keyboard set up.

Ceremony Attendance

Number of people in attendance: 250

Seating Music Begins At: 05:00 pm

Wedding Party Size: 20

Ceremony Music

Live Seating Music: We have some songs in mind but would love some live music on piano or guitar while guests are being seated. I have a spotify playlist I would be happy to send with love songs we like that can work for ceremony, cocktail, and dinner just so you can get a feel for our music tastes. We really love the Beatles, Fleetwood Mac, Van Morrison, Hozier, the Lumineers, Chris Stapleton, Tyler Childers. We like a variety of music.

Live Wedding Party Processional Music: "Wonderful Tonight" by Eric Clapton - For Nick and Parents and Groomsmen

"Patience" by the Lumineers (all piano) - for the bridesmaids

YouTube Link: https://www.youtube.com/watch?v=B7NDqhgwK_Q

The last person(s) to walk down the aisle before the main entrance will be The flower girls/ring bearers.

Live Ceremony Processional Music: I have asked my cousin, Ellie, to sing a rendition of "Simply the Best" (similar to the Schitt's Creek version) but using the original Tina Turner notes since Ellie sings more soprano. She asked to slow it down and arpeggiate chords for an acoustic version (please let me know if this does not make sense!!)

YouTube Link: <https://www.youtube.com/watch?v=2FFJpt559aU>

Recorded Ceremony Recessional Music: "Come and Get Your Love" by Redbone.

Load Out

Special Load Out Instructions: Kara, the venue coordinator said she emailed you guys instructions/timelines but she stated in her email "they will have to load into our loading dock which is located at our East entrance. They will then move their car and park in the employee lot as we will definitely need all the parking spots in the West lot for your guests!"

An hour or so is also fine for loading up!

General Cocktail Information

Cocktails and dinner are in different locations:

Cocktail hour will be outside on the patio (weather permitting). If it is indoors it will be in the loft where the dancing will be.

Expected number of guests for cocktails: 250

Location of the Couple at this time: We are doing first look so want to attend most of cocktail hour if possible

Music (Recorded) for cocktails: Similar to the dinner playlist. We both enjoy a lot of variety

A large, faint watermark logo for 'Felix and Fingers Dueling Pianos' is centered on the page. The logo features two stylized hands, one from each hand of a pianist, positioned as if playing piano keys. Below the hands is a banner with the text 'FELIX AND FINGERS' in a bold, sans-serif font, and 'DUELING PIANOS' in a smaller font below that.
