**Couple's Departure Time:** 10:50 pm

### **Send-Off**

**Details:**

We will try leaving at 10:50ish pm. The live show will be done around 10:30 and you can switch to DJ. Have people start lining up outside at that time. Zach and I will do a private dance right before leaving.

"Last Song of the night"- Recorded Moulin Rouge song- private dance after everyone leaves for the send off at 10:30

**After-Party** - Announce the following details:

Oak Street Draft House and Cocktail Parlor just to hang out and drink

**We must be packed up and out of the venue by 12:00 am**

**Additional Information:** I'm not sure how this is handled (or if this has already been created). I'm assuming a lot of songs will be determined by requests people put in. The main thing would be, we'd prefer more up-beat dance songs rather than a lot of slower songs or too many country songs. I think anything that really gets everyone involved is best. I've seen some receptions just die down quick due to too many slow songs. Also, probably 3 line dance songs max haha. Also a good mix of 2007-2012 songs (our middle school/high school nostalgia). However, yall have done this many times so you know what get's everyone involved the most!
