Load-In

This wedding requires an outdoor setup.

Rain Plan: We may wait out the rain as there are no other events on the same day. Worst case scenario we would relocate indoors.

The ceremony and cocktails are at the same venue but NOT in the same area.

Duelers Load-In:

You may start loading in for the ceremony and cocktails at 02:00 pm.

Additional Musicians Load-In:

Use your judgement. Fiddle is needed at 6:20 for the first dance but feel free to get there early before the ceremony if you want a soundcheck.

Ceremony Setup

Setup: On the ceremony lawn near the chairs

Sound System Needs

The officiant (Mary Fastenau) will require a handheld microphone with stand. Mary Fastenau is expected to arrive around 03:45 pm. **Important:** Remember to find out what the officiant's last words will be before the recessional music begins! Other readers will need a microphone with stand. You will be providing live music so have a keyboard set up.

Ceremony Attendance

Number of people in attendance: 190

Seating Music Begins At: 04:00 pm

Wedding Party Size: 12

Wedding Traditions: The groom's great uncle is a priest and will be informally doing a religious reading and saying a blessing over our vows.

Ceremony Music

Live Seating Music: As the first people are beginning to arrive, my 12 year old relative Riley who is a pianist herself, was going to play a couple songs. She wanted to play Canon in D and a song she arranged (which I do have a video of). ideally her and Matthew would then find their seats and you could play any type of ceremony music you see fitting leading up to the processional.

This will be early on as people are starting to show up and her younger brother Matthew will be handing out programs to people.

Live Wedding Party Processional Music: Honey Hole Me - Morningsiders
