Please no instrumentals or violin solos. We want our guests to feel uplifted and excited for the party to begin, like they are under string lights with a beer and the sun is shining, laughing together! :)

Recorded Wedding Party Processional Music: "Can't Help Falling In Love" By Kina Grannis. Please watch the video I would like to copy this. The timing is exactly how I would like our timing on wedding day to go. The wedding party walks out for the beginning portion of the song then the bride walks out after the long pause as depicted in the youtube video.
