Parking: There is a parking lot at the end of the building that I would prefer vendors park in. Feel free to pull up to the door to unload, etc, but I am kindly asking for Vendors to move their cars prior to the beginning of the event to leave space for guests.

Load-In

This wedding is entirely indoors.

The ceremony and cocktails are at the same venue but NOT in the same area.

Duelers Load-In:

You may start loading in for the ceremony and cocktails at 09:00 am.

Other Dinner Announcements:

Dessert Station, Mini - Golf, The Distiller's Bar (4:00)
so, I was thinking

Dinner is 2:30,
then Distiller's Bar. They say this is an "interactive experience" -- meaning the Master Distiller will be spreading their knowledge...i.e. talking. So I was thinking lighter piano during that time as people get up, mingle, we talk, less LOUD. Then I have on my "Timeline" -- "MUSIC MAESTRO" AT 4:30. I'm still not exactly sure how this will all go down, I definitely want some FUN of the dueling piano's...but we also want "talkable" volume for some. I'll be honest, my Fiance - Sterling - Is more "low key" than I am thinking people will just want to sit around and "chat" and no one will want to dance. I am hoping you all can read the room. If people are dancing and getting into it. GREAT. If they aren't..play some Norah Jones and call it good. Know what I mean? I've been to a lot of weddings, but never one with Dueling pianos. I wanted to be different - yet I have no idea what that looks like in real time. ha !

Other Dinner Information

No Change

Dinner Music: Live instrumental piano. The Piano Version of Pink Floyd? LOL - no but seriously...have you heard of Pink Redux? It's like the low key elevator version of Pink Floyd and it's amazing. I don't know. I am either your worst nightmare or your best friend. Groom isn't into music. I am. But....I just want good stuff everyone knows and loves. some good norah jones, Billy joel, oldies, adele, Ray LaMontagne, you know!?
