**Parking:** There is one parking lot with lots of parking available. There are spots that are close to both the ceremony site and the building for the cocktail hour & reception.

### **Load-In**

This wedding requires an outdoor setup.

**Rain Plan:** The ceremony will be outdoors. Ceremony is in a grassy area further down past the parking lot by the tennis courts. We should only need a 50ft extension cord, any remaining length should be provided by the venue. We only plan on having it outdoors if the weather is nice enough. We can send pictures of the ceremony site, but don't anticipate the necessity of accommodations.

**Other Details:** We would like to have a generations dance to Fools Rush In - Elvis Presley (recorded)

The DJ invites all married couples onto the dance floor and starts a slow-dance love song to officially kick off the Generations Dance. After about 30 seconds into the dance, couples who have been married less than a day (you!) leave the dance floor. Then, 30 seconds later, couples married less than a year are asked to exit the dance floor. Then, 5 years, 10 years, 20 years and so on until only one couple remains. It's a wonderful moment to see the final couple out there on the dance floor still going strong — both in dancing and in their marriage.
