#### **Dancing:**

#### **Parking:** Load In/ Out Notes:

Loading Zone:

Our 3rd avenue loading zone provides access to our 1st floor entrance, from which the easiest route to the Dome Room is via the two guest elevators. The Dome Room is on our 3rd floor, and you will not need a key to get the elevator between floors 1-3. The 1st floor entrance is key secured, but we will have a security person stationed in the lobby on this floor to let you into the building.

YELLOW = Loading Zone (1st floor entrance), PINK = Valet (2nd floor/ main entrance) (Map attached)

#### Vendor Keys:

I recommend that on your first trip into the building, you stop by our main lobby on the 2nd floor and check out a vendor key from our front desk staff. They will ask you to trade your Driver's License or ID for a vendor key set with a fob, which should get you anywhere you will need to go throughout the day. This way if security gets pulled away, you will still be able to come and go as you need.

#### Parking:

The hotel only operates Valet parking out of a secure garage, and there are some street parking options nearby. The valet can park cars from the loading zone once you have finished load-in, please just check in with the team at the main entrance on Cherry St. if you'd like them to take your vehicle from there. You should check in with the valet team or myself when you arrive, we like to be kept aware of who is loading in where/at what times. We can accommodate oversized vehicles as well, please just let me know in advance if your vehicle is over 6'8".
