General Cocktail Information

Expected number of guests for cocktails: 120

Location of the Couple at this time: We will first have a private 15 minutes alone after the ceremony and for the remainder of cocktail hour we'll be nearby taking photos and interacting with guests.

Music (Live) for cocktails: Requested music by guests, or upbeat wedding songs between song requests and we can give you a playlist of our favorites.

Other Details: Please announce after ceremony that the couple will have some private time and then will join them shortly for cocktail hour. Family is requested to stay behind for photos or join back at the arbor after 15 minutes if they would like photos.

There will be a memorial table set up for Sofiya's mother who passed away and at the end of cocktail hour she would like an instrumental version on I Will Always Love You and have a private moment to light a candle. This will be at around 5:20. After this just stick to instrumental music until guests start to find their seats. If the vibe still lends its self to more high energy music, it's totally fine to keep the singing requests going until 5:45.
