Load-In

Load-in Note: You may see one or both performers arriving for setup. Rest assured, this is normal and coordinated in advance.

You may load in equipment at 04:00 pm

Please Note: Loading Dock Directions:

Our loading dock is located at 842 Mies Van der Rohe Way. To access our dock, you will take a left from Pearson onto Mies Van der Rohe Way, immediately after you pass the hotel main entrance. The entrance is located on the left side of street (please note there is a height restriction of 12'3").

Upon arriving to the dock, you will be required to check in with Security and provide your driver license and vehicle insurance cards. If there is a line, you may park on the street and walk up to the window. Please have your license plate number, as well as, make and model of your vehicle. After doing so, please follow signs to the Ritz-Carlton Loading dock. Our dock is shared with the Water Tower Place Shopping Center so please allow yourself ample time.

Once you arrive to our dock, you may unload your items. There is a 46" lift from the ground (where you are parked) up to the dock. You will need to supply your own lift to ease the unloading process. There is also a ramp a couple yards away and usually it is not blocked, so you are welcome to use that, as well. Please supply your own dollies, as we will not have any extra to lend.

Please check in with our hotel staff at the loading dock and they will direct you to the Hotel's Security to receive a visitor pass. You may then proceed to the employee elevators. There are two elevators to access the 12th floor. The actual dimensions of the elevator cabs are 66" x 65" x 96". Please make sure your items will fit in this elevator.

Once you arrive to the 12th floor, go down the long corridor through the kitchen and check-in with banquets. They will help assist you and lead you to the function room.

Vehicles must be removed from the loading dock immediately following the delivery or pick up otherwise your vehicle may be towed.

Expected number of guests:

130
