Additional Information: Sean LOVED music and so do we. It was his life. The listed songs were some of his favorites, do if you can, it is not exhaustive by any stretch. Other genres/artist to sprinkle in--your choice... Tom Petty, Stevie Wonder, Eagles, 90s Country, Billy Joel. I think upbeat is where I'd like to stay just so we aren't complete messes, but we trust your judgment. The requested song list can hopefully guide you.

requests take a bit of liberty.
