### **Load-In**

**Load-in Note:** You may see one or both performers arriving for setup. Rest assured, this is normal and coordinated in advance.

You may load in equipment at 03:00 pm

**Please Note:** There is a house located in front of the main area (it is an Airbnb). Please drive past the parking lot and all the way up to the house garage door and you can unload equipment there. There is a pathway that leads from the driveway to the wine bar patio and band stand area that you can use for easy access. Please DO NOT DRIVE ON THE GRASS (it's our only request.) There will be 2 large black gorilla cart wagons that can be used for equipment along with golf carts to help move large items back and forth. I've included an attachment of what I mean by this below.

Once you've unloaded, please reverse and move your cars or trucks back to the parking lot until you need to load out, then you can pull back up again.

### Explicit Lyrics:

If it's 3-4 explicit things then I think we are okay, but if it is most of the song, then please either replace the words, or kindly remind the guest that this is a public event & we need to be respectful of others.. if they have a problem with it, then have them talk to Tara

### Songs To Avoid:

Would like to stay close to theme of fall, halloween, and regular listening music as this is not a wedding-most people will be seated at firepits, on our wrap around deck or out on the patio

### Tippling:

Yes

### Alcohol/Bar

**Type:** Cash

**Additional Information:** The staff of Hidden Creek loves to dress up for Halloween and encourages you to do so as well. I would like to have a fog machine of some sort, spider webs, and other decor around the band stand area where you will be set up.

We would like for Dueling pianos to join in on the fun and dress up with us. Last year, guests often told us that our event felt like it was out of a movie or a Hallmark movie where they stepped into a true fall event and every last detail followed through. The only way I can think to describe this is by bringing up a Hocus Pocus movie where the band was on stage and everyone was dressed up for Halloween and carried the theme all the way through. It just doesn't feel very "spooky" or Halloween like if they are just singing/dueling some Halloween songs and they aren't carrying the event theme through.
