Additional Information: The Vixen should have all that you need as far as lights- Wireless connections... etc. you have been there :)

There is a DJ that comes on at 11. Nothing to do with our group. You can simple say- We are done.. stay for the DJ.. whatever... simple.

The bar doesn't close until the venue does... like 2 am....

Last year we had Modern Day Romeos and there was a lot of fun with dancing and interaction... WE will have a mixed crowd of the parents who dance and drink and the church goers who are older and will want to hear a few songs from that era .
