Explicit Lyrics:

The crowd will be old 65+ - so I am not expecting this to be an issue. The lyrics of the songs requested will likely be very tasteful. As the evening progresses many of the older guests will retire and the average age should go down to around 50 :) and the entertainers can relax a bit :) I do not anticipate any guests under the age of 35.

Songs To Avoid:

This is an older crowd - Average age 65+. So it is unlikely they will relate to rap / hip hop / grunge type music. There is nothing "off limits" per se - I would just say it would be on a request only basis.

It is unlikely they will dance - but I've been surprised before :)

Tipping:

Yes, for charity
Our contract states the Tips should be donated back to the club.

Alcohol/Bar

Type: Cash

Additional Information: Feel free to use any fundraising tricks you may have with song requests: song battles...etc.

This crowd loves the spotlight - and since they will be drinking it's anyone's guess..... but I would definitely think someone will want to relive their glory days :) But it will be spontaneous !
