#### **Announcements**

Work the following into your show, whether it's via song selection, commentary, banter, etc! They really want to feel like we're familiar with their team!

These individuals will be ok with interaction so we won't make anyone uncomfortable.

Cornerstone Building Brands - we are the largest manufacturer of home building products for the exterior of houses and buildings. We are the largest manufacturer in windows, siding and metal roofing among a lot of other building products

CEO - Rose Lee

Rose is Korean American who is a classically trained pianist and MIT educator aerospace engineer who is now a Fortune 600 CEO. She's funny, warm and willing to engage with your team. She even says she can "sing a little" if you need her to.. Her favorite sing along is "I did it my way"...

CFO - Jeff Lee (not related)

Jeff is a huge extravert and usually visits karaoke bars frequently. He has a great sense of humor and we tease him about his obsession with making more money for our company. He often says "more EBITDA" which is geeky finance language for raising profits. I think about playing songs like "I work hard for my money" or "money, money, money" as you shout out to him.

SVP Sales for Windows - Kevin Lloyd

Kevin is a hard charging sale guys with a huge personality. He laughs about our new CEO changing the name of windows division to Aperture Solutions which he says he can't spell.. Sell more, get more, and having to handle his big customers

President - Matt Ackley

Matt is from Chicago and played water polo for years. He loves all types of music and sports

VP Sales - Zeljko Cvitkovic (zayco)

Zayco loves everything about Tik Tok dances and learns them to do with his daughter
