Dinner Seating

Buffet dinner begins at 7 pm and more than welcome to sit anywhere you would like. Not sure if you like to mingle with crowd at this point or not, if the players need a more secluded setting for dinner to eat to themselves, I am sure I can reach out to the catering coordinator.

Announcements

To wrap up the awards and speeches, we will be revealing the destination for our 2026 incentive trip. We will have a short video that is being put together about the destination (estimated 3-5 minutes), which will be The Lodge at Blue Sky in Park City, Utah. We would love to involve pianos in this presentation somehow, maybe a particular song could be played and if you have suggestions we are open. I will continue to think of a song or music that might fit the vibe and we can touch base in our phone call. Maybe Coldplay song tbd.

Explicit Lyrics:

Is it possible to keep the first hour to hour and a half relatively clean, but edgy. If you are able to sub a word for an explicit lyric that would be great and then the last hour to hour and a half of the evening, explicit lyrics are allowed....

Songs To Avoid:

Most def no hokey pokey, electric slide, chicken dance.....steer away from line dances however we may have some Wobblers in the crowd toward the end of the evening where that might fir in to the vibe if it is right. It is important to the agency owner for it to be fun, elegant, polished, but edgy as well. He really wants to avoid the atmosphere feeling like a wedding reception/promish if that makes sense.

Must Play Songs:

Still D.R.E - by Dr. Dre (Live)

Tipping:

Yes, for charity

Will be decided on by the event date

Alcohol/Bar

Type: Open

Additional Information: Our leadership team is made up of an age range of 38-42 year olds, a few 50's in there. They grew up on 90's grunge (Tool, Incubus, Sublime, AIC) and heavy metal (Metallica, GnR), with a little R and B hip hop as well. I have a feeling towards end of the night, you will get more requests for the hip hop/early 2000 rap genre with a little Lizzo, Cardi B, and Dr. Dre thrown in. We have a few older colleagues that will enjoy any classic 60's or 70's that you would do. And we have a group that will be wanting to hear any country tunes that you do...I can see the crowd loving "Country Roads", Luke Combs-ish artists. What sold the agency owner on picking the entertainment was seeing the recording of "Mr. Brightside", so anything like that.

Looking forward to our call!

Miscellaneous Information

People To Include In Show

We are recognizing two employees that are retiring at the end of the year. It would be fun to get them each involved in a song, both are female and I can try and find out if they have a favorite song that could be dedicated to each of them, something fun.

Angela Carter (organizer/planner)

We are having a "most festive" contest and winner will be announced around 8:30 when we do the other announcements as well. The winner should be roasted....lol
