Special notes:

Metallica - Enter Sandman: We are going to cut this song short right at the outro. Most likely a ring out of E right after the main riff ends, but will discuss further with the group.

The Romantics - What I like about you: Extend the solo section for a solo tradeoff between Tom (Harmonica), Brett (Guitar) and AJ (Guitar). Will decide the number of bars for extension and let the group know for their thoughts. Initial thoughts each one of us get 4 bars of the main riff to do a solo and then pop back into the song.
